Books are the best way to remember fantastic trips! Better than Maps, better than pictures. But what if your books get mixed up, get lost, or get destroyed? We've lost so many books over the years, and hope we can do something about it! In the new DLC book cup adventure you help the Book of Travels team in their search for the lost book. There are time capsules in a huge number of places on this map, and every place has one book hidden inside. You have to find them all, though! Do you have what it takes to win this quest? Key Features: Fantastic new book adventure; Localisation of the Atlas was inspired by the Reddit community; Hundreds of new keywords and points of interest; Hundreds of new questions and puzzles; Hundreds of new illustrations; Hundreds of new clues; Hundreds of new characters; Hundreds of new typos; Hundreds of new book covers; Hundreds of new objects; Hundreds of new soundtracks; Hundreds of new locations; Hundreds of new clothing items; Hundreds of new equipment; Hundreds of new recipes; Hundreds of new furniture; Hundreds of new weapons; Hundreds of new tools and gadgets; Hundreds of new furniture; Hundreds of new players objects; Hundreds of new hairstyles; Hundreds of new events; Hundreds of new skins; Hundreds of new vanity pets; Hundreds of new cosmetics; Hundreds of new achievements; Hundreds of new villagers; Hundreds of new quests; Hundreds of new recipes; Hundreds of new biomes; Hundreds of new decorations; Hundreds of new clothes; Hundreds of new farming; Hundreds of new achievements; Hundreds of new music tracks; Hundreds of new decorations; Hundreds of new cooking recipes; Hundreds of new pets and furniture; Hundreds of new building and craft posts; Hundreds of new climates; Hundreds of new professions; Hundreds of new books; Hundreds of new cup objects; Hundreds of new vehicles; Hundreds of new beer; Hundreds of new vehicles; Hundreds of new farming tools; Hundreds of new construction posts; Hundreds of new promotions; Hundreds of new recipes;

Features Key:

Experimenting with new and classic USSR weapons - experience authentic hand made machine guns, heavy soviet, mortars and artillery weapons from 1960s and 1970s!
Beginning your service in Soviet Army - immerse into the war and seasons of eternal conflict!
Enjoy ultimate gameplay experience - play on five different maps featuring multiplayer matches. All matches are possible on standard game mode as well as the best of the best mode in random battles and online.
Artificially give you the feeling of Soviet era - experience Soviet era winter landscapes, collect personal belongings on battlefields - look around in the scenery and find your way around with the help of markers.
Each weapon plays unique audio. Absolutely original heavy soviet, weird mortars or absent artillery firing in weapon menu - YouTube it and enjoy!
You will be transported into the war scene - fully implemented and delivered on VR - the whole official garages of the USSR are waiting for you - don't be afraid to try out new/classic USSR weapons!
Open every garage door to find the information about that particular gun! Also there is a unique notice for each vehicle to hold a gun.
Enjoy creating your own stages - share these amazing locations and stages with your followers - set up stages during many holidays to show them off!

Game "Bright Days in Quarantine" Tutorial: #drivinggames #drivinggamesgame #drivinggamesgameplay #drivinggame #drivinggames #drivinggamesgameplay Welcome to my channel, its a mix of gameplay and comedy. I play games (A LOT) mostly on PC, and I play Fuzion Frenzy. I also play some Hydrophobia, Sportsfriends, Puzzle Quest, Legend of Kay, Road Rash, Tetris, Mario Kart, Fuzion Frenzy, some Diablo 2 and some other things. I also upload some funny glitches and skins for games like League of Legends. You can also find me on Discord: ► Support me: Patreon: Donate with Paypal: Chinese BankTransfer: 45751652140653 Mongolian Táncház: Follow me on Twitter: Follow me on Facebook: Join me on Reddit: Follow me on Instagram: Play my games: 'Bright Days in Quarantine' is a romantic comedy about a housewife and a mama in quarantine who find common ground with each other and save their marriage when they start working together. Bright Days in Quarantine In the future, contagion has developed so that we must quarantined in our homes to keep the virus away. We must think of something to do. But we must prepare for our quarantine so that if we cannot get out we will not go nuts when things start to go bad. We must find meaning in our quarantine. Who will be able to cheer us up? Let's find out together. "Hello everyone, we are back with a new Challenge! As some of you may know already, the community had some very fun suggestions for the idea of a quarantine
