Space Station Invader VR

---

- A cat racing robot game -...and also a serious cat racing game - You can call it a meme racing game and a cat racing game. - You can play this in the shower, at work, with your dog or a stranger. HOW TO PLAY: - Pick the course. - Latch on to a pussenger by sliding your cat bot in front of them on the x-y-axis. - Beware! Obstacles are there. They drop berries, innocent kids' baloons and whatever! - Dash through them or just go behind them! - Ride your way over the next obstacles to the next course. - Earn coins, which you can spend on upgrades. - Collect medals if you don't die! - You may crash into walls and buildings. - Save your pussengers when you are out of coins or at the next course. - Each course has a cat pussenger, which may look different. - And a bunch of other things you will only find out if you play this game. REVIEWS: - Let people know you like this game! Reviews are appreciated! - Ratings on a scale of 1 to 10. - "The more they look like they need a nap, the better a game it is" - "This is the game for kids that they cannot be kids anymore." - "The world's most dangerous game of truth or dare." - "Don't play this game if you have small animals. They might die." - "Cats! It's like
